- **What is our privacy /security policy about ?**

  The purpose of this Privacy Policy is to provide you with information on how to use your personal information that is collected when you use the WATOG mobile / Internet application.

  This Privacy Policy applies to the current and future versions of the WATOG application. However, in some cases it may be necessary to set up a slightly different privacy policy. When a new version of the WATOG mobile / Internet application has a different privacy policy, it will be clearly stated that this privacy policy differs from this general WATOG privacy policy.

- **Objectives of data collect**

  We collect and use personal information, by informing you in advance and with your permission, in order to provide you with the required services or information more efficiently. We may therefore collect your personal information when you:

  • Use or operate WATOG services
  • Give WATOG permission to use such personal information
  • Respond to our requests (SMS, emails, questionnaires, surveys, etc ...)
• Interact with WATOG's websites or mobile applications / internet such as submission of a registration form, application, provision of a survey form, use of online services

• Participate on WATOG social media pages such as Facebook or Twitter;

• Participate in WATOG events, loyalty programs or promotions

• Publish photos-type content on your own initiative, regardless of how photos are integrated on the website (photos captured via the camera offered by the application or photos downloaded).

• Participate in contests offered by the app and submit votes

In order to optimize our services, we may wish to use your personal data for direct marketing purposes. We respect the confidentiality and protection of your information, and will only use your personal data for this purpose only.

In addition, if at any time you wish us to stop using your information for the purposes described above, you may contact us freely as indicated in the preamble hereof. We will stop using your information for that purpose as soon as possible.

In addition, the personal data collected may be (occasionally) transferred to selected third parties, which may be located outside the European Economic Area ("EEA") as part of the services offered to you through our mobile applications. Internet. For example, this situation can occur if one of our servers is in a country outside the EEA or if one of our service providers is located in a country outside the EEA.

Such a transfer can only be carried out by WATOG in full compliance with the legal and regulatory provisions in this area, including the Data Protection Act of 6 January 1978 amended.

Such third parties will not use your personal information for any purpose other than those we have agreed with them and which have been indicated to you. WATOG requires these third parties to implement sufficient levels of protection to protect the confidentiality and protection of your personal information.

We respect your personal information and we will therefore take steps to ensure that your privacy rights continue to be protected by transferring your information outside the EEA. In addition, if you use our services when you are outside the EEA, your information may be transferred outside the EEA to provide you with those services.

Subject to the terms of this Privacy Policy, we will not disclose personally identifiable information without your permission, unless we are legally entitled to it or required (for example, if we are required to do so through legal process or as part of legal requisitions or interceptions).
We would like to assure you that we will not use your information for any of these purposes if you have indicated that you do not want us to use your information in this way when you submit it to us or at a later date.

• **Information collected**

The personal information that may be collected by WATOG includes the following information (although this list is not exhaustive):

- contact information, including information provided in the registration form, namely: surname, first name, pseudonym, e-mail address, telephone number, address, country of residence, hospital, the qualification

- identifying information (such as the identifying number of your status in the medical field

- demographic information (such as age, age range, sex)

- photographs: are concerned here as well the photos published for the profile as those which concern the contest (possibility to publish in 5 different categories)

- product-specific information (as a preference, closed user group, list of people who have sponsored you for the subscription of the service, limit of credit of communications ...)

- service account information (such as account balances, transaction history, credit information, billing information, loyalty points)

• **Confidentiality**

WATOG guarantees the confidentiality of your information, of any nature whatsoever, written or oral, of which it is aware and refrains from communicating, selling, exchanging, transferring or sharing with third parties, subject to the provisions of this Privacy policy.

This confidentiality commitment does not apply to information:

- that the law, the applicable regulation or a court decision would require disclosure;

- necessary to meet the needs of legal obligations (requisitions or judicial interceptions);

- exchanged with survey and market research institutes and / or with partner companies for study or promotion purposes (excluding e-mail);

- exchanged with our subsidiaries and affiliates.
The third parties set out above must, in all cases, agree to strict compliance with the confidentiality obligations required by WATOG, and to use your personal information only for the purposes for which it was disclosed.

• **Data transfer**

WATOG will ensure that the transfer of any personal data is carried out in accordance with the laws and regulations applicable in this area, and in particular in compliance with the provisions of the Data Protection Act of 6 January 1978 as amended.

However, any user of the WATOG mobile / Internet applications declares to accept the characteristics and limits of the Internet, of which he recognizes in particular having a perfect knowledge of the nature, and in particular of its insecure nature. It is up to each user to take all appropriate measures to protect their own data and / or software against the risk of intrusion or contamination by viruses, and to make the necessary backups. In the same way, any user of the WATOG mobile / Internet applications acknowledges that he is informed that the integrity, authentication and confidentiality of the information, files and data of any kind he wishes to exchange on the Internet can not be guaranteed on this website. network, which is out of the control of WATOG.

• **Keeping your personal data**

WATOG may keep certain personal data for a specific period of time, which may not exceed the maximum retention periods provided for by applicable laws and regulations.

• **Security of your personal data**

We give great importance on your personal information and we are therefore committed to ensuring a sufficient level of protection. With this in mind, we have implemented technology and policies to protect your privacy from unauthorized access and misuse and we will update these measures as the technology evolves as needed. This protection concerns both your person and that of the patient that you may have to integrate into your publications. In this regard, you make sure that the patient's consent is given for any publication concerning him.

However, we remind you that despite our commitments to guarantee a sufficient level of protection with regard to the confidentiality of your personal information, no security system can however prevent potential security breaches, particularly due to the characteristics and limits of the Internet.

**INTERNET SITES / MOBILE THIRD APPLICATIONS - RECOMMENDATIONS**

WE ADVISE YOU TO READ CAREFULLY THE TERMS OF USE OF THE APPLICATIONS AND THIRD-PARTY SITES ON WHICH YOU ARE SURFING.
WATOG does not assume any services of backup of data or information. YOU MUST SAVE YOUR DATA STORED AND INFORMATION ON YOUR OWN SUPPORTS (hard disk, cd, etc ...) to guard against possible loss or damage.

• **Modifications of the Privacy Policy**

WATOG may periodically make changes to this Privacy Policy. If we make any material changes to this Privacy Policy and how we use your personal information, we will post such changes on this page and will endeavor to notify you of any material changes. WATOG invites you to regularly consult this privacy policy.
